Fraser from Littlegreen

### Message from Alison and the team

Hello everyone, this has been an incredibly busy week! We have had virtual sports days, learning live sessions, Zoom sessions, assemblies on Facebook, telephone calls, transition evenings and some fantastic photos and films from you all.

You have now seen the letter outlining arrangements for the end of term. By finishing school for most pupils slightly earlier than originally planned we have managed to arrange for our Yr6, Yr11 and Yr14 leavers to come in and say goodbye, except for Littlegreen where our Year 11's decided to Zoom instead! I'm sure you'll appreciate how delighted we are to be able to say goodbye face to face to most of our leavers.

The guidance for September has come out yesterday and we are busy reading and absorbing it. The aim is for all pupils to be back at school full time. What we need to do now is work out how we make this happen as safely as possible by organising our PODS appropriately, working with transport and being clever with how we organise the timetable. What we do know is that there will be a gradual return for pupils over several days in September so that we can settle them in a group at a time. This will include our new pupils many of whom haven't even visited their new school yet. Plans should be out by the end of next week all being well. In the meantime enjoy our sporty photographs and have a good weekend.

## ROUND UP OF THE WEEK FOCUS ON HEALTH AND FITNESS!!!
