A newsletter brought to you by the schools in Solent Academies Trust

VOL. 1, ISSUE 1

27TH MARCH 2020

News from the Solent Academies Trust Team and our families

Boris from Littlegreen taking the cleaning seriously

Luca from Cliffdale keeping the troops well fed

Aymene from Mary Rose working very hard

Calum from Redwood has made a bug hotel

Message from Alison and the team

Hello everyone, this has been our first week since we had the directive to “lockdown”. We continue to remain open on 3 out of our 4 sites for pupils with family members who are keyworkers and need cover provided by school. Wherever possible children are at home in self isolation and maintaining social distance, which is by far the safest solution. We do want to reinforce the importance of following the guidance on maintaining social distance hard as this may be.

We are going to use our weekly newsletter to share photographs of our pupils ‘learning’ at home as well as those few pupils at school. If you would like to send us your photos we have a dedicated email address: familyphotos@solentacademies trust.info. Remember there are resources on our websites to give you fun ideas for things you can be doing with your child at home. Please click on the Covid-19 button.

By the end of today you should all have had at least one phone call to see how you are. We will continue to do this next week as well as to send daily texts and news if things change. We want to make sure that we communicate as effectively as we can so that you know what’s happening.

We would all like to thank you for your kind messages and support. We are thinking of you at this most difficult time. We hope you enjoy the photos and please do send yours in to share with us when you get the opportunity.
