

## Update No3: Friday 3<sup>rd</sup> April 2020

### General update

#### We continue to follow the guidance outlined below

- It is very clear that where possible the safest place for all of us, including pupils and staff, is to be at home, self-isolating
- Pupils only to be in school where their parents/carers are keyworkers and cannot have them at home or if they have been identified as high risk
- We all need to follow the guidance on social distancing

### Communication

- We have phoned all families at least once a week to see how you are. Some of you aren't answering because it says "withheld number" - please answer, it's probably us!
- We will post information on our websites daily

- Parents are being asked to organise their own transport where possible or to access the AQA taxi option paid for by Portsmouth City Council but requires a parent to accompany their child
- Grab and Go meals for pupils on free school meals are available from hubs close to your homes.
- The voucher system is being actioned and will be available soon
