Message from Alison and the team

Hello everyone, we hope that you are keeping safe and well. As you are aware we are still in 'lockdown' and working hard to maintain social distancing as best as we can and to do our bit to help control the spread of the virus. Our staff team is making calls to you all regularly and we are pleased to hear how much you welcome these. Staff have also been talking to some of our pupils as well as setting them 'work' and helping them to come to terms with the very difficult situation we find ourselves in. Next week things will be continuing as before with as many children as possible staying safely at home. As ever if we have any further information from the government we will let you know and send you a text. In the meantime we're thinking of you all. Do keep checking the website as we update the photographs you are sending over regularly.

Easter Greetings from around the Trust

Happy Families!
